

BRAINARD

RIVET

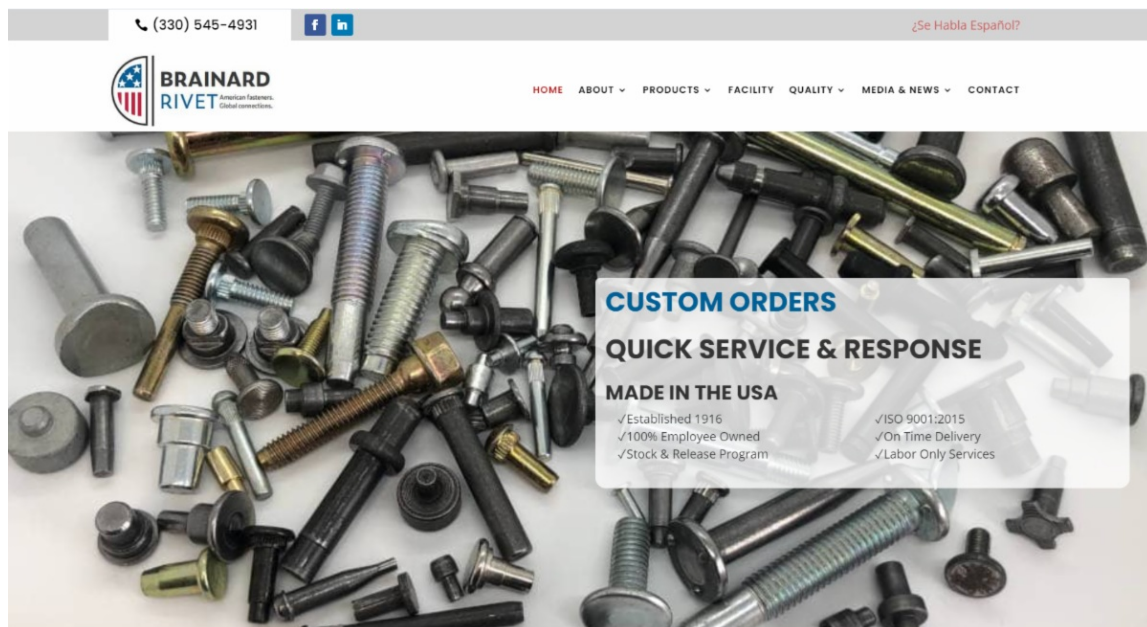

American fasteners.
Global connections.

Our new website is now live!

Customers and vendors can experience the ease of finding information on Brainard Rivet's brand new website. También disponible en español.

Whether you want to learn a little more about our century-plus old company or discover our expanded capabilities, we hope you will stop by and visit the new site.

We have a fresh [Photo Gallery](#) with plenty of products to preview. Our brand is evolving, but our commitment to providing high-quality, affordable fasteners that are made in the USA remains as steadfast as ever.
