We hope to see you in Cleveland, OH!
November 8-10, 2021

Our booth can be found under [Buckeye Fasteners Company](#). Together with Buckeye, we are part of [Fastener Industries](#), one of Ohio's oldest employee-owned companies. [Donnie Kirkwood](#), [Clayton Allen](#) and [Tony Martinez](#) will be on-hand to answer any of your questions. Feel free to email any of them in advance.

Buckeye Fasteners Company is a leading supplier of fasteners, helping customers anchor their products since 1905. The sole factory direct source of the Ohio Nut and Bolt Company, Buckeye Fasteners supplies fasteners for the automotive, appliance, food equipment, metalworking, medical and furniture industries.

Brainard Rivet has been a manufacturer of cold headed fasteners for over one hundred years. We are excited to see many of our partners face-to-face for the first time in almost two years. And we would love nothing more than to make some new friends this year.
